VOTE KATHERINE FOXHALL IN THE COUNTY COUNCIL ELECTION ON 6 MAY

GREEN COUNCILLORS MAKE A DIFFERENCE

Across Vale and South Oxon there are eight Green District and County councillors. Help us add another on May 6th!

From Parish to County Council, Oxfordshire's Green councillors are **fighting for healthy, safe walking and cycling routes, reliable local buses and better broadband**. They are speaking up on **school safety**, and challenging **damaging Conservative policies** on planning, environment, and roads.

Pete Sudbury, Green County Councillor, **recently secured new powers** from the County Council to enable local Town and Parish Councils to put **20mph zones** where residents want them. **Vote for Katherine** to join them on May 6, so that Greens can do more for our residents.

“The local elections on 6 May are a real chance for positive change, so that our council better represents the people who pay for it, and depend on its services. If elected as your councillor I will work hard, listen to residents, and speak up for Shrivenham and the surrounding villages.”

- ✓ **Investing** in community services, social care, young people and education.
- ✓ **Supporting** a green and sustainable recovery from COVID-19

KATHERINE FOXHALL - WORKING HARD FOR YOU AND OUR COMMUNITY

TAKING ACTION ON LITTER

FROM OUR SURVEY

CALLING FOR COMPANIES TO TAKE MORE RESPONSIBILITY

The amount of litter has been a top concern in our conversations with residents. As well as doing her own litterpicks during lockdown **Katherine is supporting local parish councils** who are campaigning to improve the situation. **Katherine says:** "I've had constructive conversations with the management of Watchfield McDonald's and look forward to working with the team to help clean up our area."

IMPROVING OUR ENVIRONMENT: Litter has been a major issue this year.

SPEAKING UP ON ROADS

KATHERINE CALLS FOR SAFER ROADS FOR EVERYONE

Alongside local Green councillors, **Katherine has been speaking up for this area** in government consultations on the future of roads and transport. **Katherine says:** "We need joined-up, long-term thinking to make **safe routes for all road users and pedestrians**. Councils need to ditch vanity projects, **prioritise residents** near roads like the A420, and **invest** in proper maintenance, repair and flood prevention."

SPEAKING UP FOR THIS AREA: although it's been difficult to be out and about in the community this year, policy work continues!

WHY KATHERINE?

Oxfordshire Green
County Councillor
Dr Pete Sudbury says:

"Katherine is an extraordinarily energetic, organised and intelligent campaigner. In a Council composed mostly of older people, she will be a breath of fresh air and a desperately-needed voice for working people and families."
